SUMMARY

Product Designer specialising in **developer experience, design systems, and simplifying complex technical workflows**. I combine deep UX craft with systems thinking to create clarity in complex environments. Known for spotting patterns others miss and bringing calm, structure, and empathy to technical teams. I design tools that help people do their best work.

EXPERIENCE

Principal Product Designer

Aerospike — Remote

Oct 2025 – Present

- Promoted to lead design across the Aerospike Cloud platform.
- Partner with engineering and product leads to shape cluster provisioning, onboarding, and admin tools.
- Drive design system evolution and developer-focused UX strategy across multi-cloud products.

Senior Product Designer

Aerospike — Remote

Feb 2025 – Oct 2025

- Designed the full end-to-end Aerospike Cloud experience, from provisioning flows to observability dashboards.
- Improved task success rate by 32% through iterative user testing and flow optimisation.
- Built alignment between backend and platform teams to map system logic to intuitive UI patterns.

Expert Product Designer

Workwise — Karlsruhe, Germany

Apr 2023 – Jan 2025

- Led design for candidate-facing and internal platforms; introduced new UX strategy and unified design system.
- Improved design-to-dev handoff via an overhauled Figma component library and Storybook integration.
- Conducted usability testing and prototyping

Senior Product Designer (Team Lead)

Sygnum Bank — Zurich, Switzerland

Apr 2022 – Mar 2023

- First product designer at the world's first regulated crypto bank. Built team processes from scratch.
- Delivered a cross-platform design system and UI/UX for institutional and retail crypto products.
- Simplified blockchain workflows to support mainstream adoption.

Senior Conceptual Designer

Publicis — Zurich, Switzerland

Aug 2020 – Mar 2022

- Art direction, UI/UX, and visual strategy for UBS.
- Drove conceiving, prototyping, and campaign execution across multi-disciplinary teams.

Creative Lead

Matter Design — Sydney, Australia

Aug 2019 – Mar 2020

- Led design direction across UX, UI, and eCommerce builds (BigCommerce). Clients included Goodlife Health Clubs, DNA Connect, Gillette, Tiger Trays.
- Oversaw projects end-to-end, from pitches to delivery.

Senior Art Director

CHE Proximity — Sydney, Australia

Jan 2019 – Aug 2019

- Led creative across digital pitches and branding projects. Clients included American Express, Samsung, ING.

Senior Art Director

Equipe — Zurich, Switzerland

Jun 2016 – Apr 2018

- Multi-language, multinational campaigns for Heineken, UBS, Swiss Post, Zurich Insurance.
- Managed large cross-functional design projects and pitch work.

Early Roles (2011–2016)

Art Director at agencies including Droga5, Clemenger BBDO, Leo Burnett, and Grey, working across Australasia and Germany. Developed campaigns and digital experiences blending brand, interaction, and product design.
